Sarah Zaccagni | Full Stack Software Engineer

Sleepy Hollow, NY I 215 498 5025 I sarahzaccagni@gmail.com I github I linkedIn

I am an innovative, solutions-driven Full Stack Developer dedicated to crafting clean, efficient, and maintainable code. My previous experience as an Officer on Interaudi Bank's projects and innovation team has honed my project management skills as well as my ability to approach challenges with creativity and a positive attitude. I excel at solving complex problems and am eager to continue to learn and develop my skills in my next position.

SKILLS

- **Programming Languages:** Python3, JavaScript, HTML, CSS
- **Frameworks and Libraries:** Node.js, Express, jQuery, Mongoose, Flask, Django, React
- **Databases:** MongoDB, PostgreSQL
- **Soft Skills:** Agile, Communication, Leadership and Teamwork
- **Tools/Other:** Git, GitHub, RESTful APIs, AWS S3 Cloud Storage
- **Certifications:** Salesforce Certified Administrator (SCA)
